- ★ ensure your [online presence](#) is positively represented

## 4. Job Application

- ★ make sure you are qualified for the position and apply online or in person
- ★ inquire if a [cover letter](#) is needed and create one
- ★ review the application for any errors
- ★ obtain and list three [references](#)

## 5. Post Application Followup

- ★ allow 1- 2 weeks to contact the employer about your application
- ★ keep track of all the positions you have applied
- ★ be persistent, but don't overdo it
- ★ be patient with the process especially during the pandemic crisis

## 6. Polish Interview Skills

- ★ [dress](#) professionally
- ★ know the history and mission of the company you are applying for
- ★ make a list of the [questions](#) you want to ask the employer and take notes
- ★ practice your [answers](#) to frequently asked questions by employers
- ★ create a list of your [strengths](#) and [weaknesses](#) and make sure they represent you in a positive manner
- ★ Thank the interviewer(s) for their time, ask for a response timeline and ask for a business card, and send a [thank you email](#) immediately after the interview.

## 7. Post Interview Followup

- ★ notify your references that they may receive a call soon
- ★ [follow up](#) after their response timeline has passed either by phone or email

- ★ be prepared and respond promptly to the employer's request for a second interview or job offer
- ★ get comfortable with waiting and remember patience is a virtue
